

Newsletter 2010 December

Sanparks have announced changes to their Wild Card system to enable them and their conservation partners better control of their programme via more advanced technology. The current Infinity Wild Card will be replaced with a new one, as the old card will no longer be accepted at Wild Card partner parks after 31 December 2010. Holders of the current Wild Card need to update their membership details in order to receive the new card. For further information log on to www.wildcard.co.za or call 0861 469 453. Sanparks have requested canoeists using their facilities to ensure that their canoes are properly secured. Canoes found untended will be confiscated to avoid them being used by poachers, and will only be released on payment of a fine.

The Ward Committee for our electoral ward (Ward 4) has officially requested the Municipality to provide detailed information regarding the costs to ratepayers for the suspended senior officials. The Ward Committee has also requested clarity on the Emergency Water Tariffs which the Committee believes to have been implemented in contravention of National Treasury directives.

Residents are requested to note that WRRRA's AGM will be held at 5.30 for 6p.m. at the Wilderness Resort Hotel, opposite the common in the village, on Monday 20th December 2010, when the majority of our out-of-towners will be available to participate.
